36-523 - Identification of car sharing vehicles

LAST AMENDED
9/29/2010

C1 C2 C3 C4 C5 C6 C7 C8

Within an off-street parking facility that contains #car sharing vehicles#, an information plaque shall be placed within 20 feet of either the entrance to the parking facility or the attendant's station, at a location accessible to and visible to users of such facility. The plaque shall be fully opaque, non-reflective and constructed of permanent, highly durable materials and shall contain the following statements in lettering no less than one inch high:

(a) "Total parking spaces in facility:" which shall specify the total number of parking spaces permitted within such parking facility;

(b) "Maximum number of car sharing vehicles:" which shall specify the total number of #car sharing vehicles# permitted within such parking facility; and

(c) where such parking facility contains #accessory# #residential# parking spaces, "Accessory residential parking spaces shall be made available to residents of this building within 30 days after a written request is made to the landlord".
