101-222 - Standard height and setback regulations

LAST AMENDED
3/10/2026

C2-4/R7-1 C6-1 C6-4.5 C6-6 C6-9 C6-12

In the districts indicated, except C6-1A Districts, a #building or other structure# shall not exceed the applicable maximum #building# height set forth in the table in this Section. Furthermore, any portion of a #building or other structure# that exceeds the applicable maximum base height shall provide a setback pursuant to the provisions of Section 23-433 (Standard setback regulations).

MAXIMUM BASE HEIGHTS AND MAXIMUM BUILDING HEIGHTS IN C2-4/R7-1, C6-1, C6-4.5, C6-6, C6-9 AND C6-12 DISTRICTS

	Maximum base height		Maximum #building# height	
District	Beyond 100 feet of a #wide street#	Within 100 feet of a #wide street#	Beyond 100 feet of a #wide street#	Within 100 feet of a #wide street#
C2-4/R7-1	85	85	165	165
C6-1	125	155	185	215

C6-4.5 C6-6 C6-9	125	155	255	255
C6-12	155	155	395	395

C5-4 C6-4

In the districts indicated, the underlying height and setback provisions applicable to an R10A District shall apply. However, the minimum base height requirements need not apply.
