31-14 - C4 General Commercial Districts

LAST AMENDED

12/15/1961

These districts comprise the City's major and secondary shopping centers, which provide for occasional family shopping needs and for essential services to business establishments over a wide area, and which have a substantial number of large stores generating considerable traffic. The district regulations are designed to promote convenient shopping and the stability of retail development by encouraging continuous retail frontage and by prohibiting service and manufacturing establishments which tend to break up such continuity.
