31-15 - C5 Restricted Central Commercial Districts

LAST AMENDED

4/9/1981

These districts are designed to provide for office buildings and the great variety of large retail stores and related activities which occupy the prime retail frontage in the central business district, and which serve the entire metropolitan region. The district regulations also permit a few high-value custom manufacturing establishments which are generally associated with the predominant retail activities, and which depend on personal contacts with persons living all over the region. The district regulations are also designed to provide for continuous retail frontage.
