In R3A, R3X, R3-1, R4A, R4B or R4-1 Districts, excluding #lower density growth management areas#, the Board of Standards and Appeals may permit ambulatory diagnostic or treatment health care facilities listed in Use Group 4, limited in each case to a maximum of 10,000 square feet of #floor area#, provided that the Board finds that the amount of open area and its distribution on the #zoning lot# conform to standards appropriate to the character of the neighborhood.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
