73-17 - Camps, Overnight or Outdoor Day

LAST AMENDED

12/15/1961

In all #Residence Districts#, and in C1, C2 or C3 Districts, the Board of Standards and Appeals may permit overnight or outdoor day camps, whether commercial or philanthropic, for a term not to exceed five years, provided that the Board finds that such #use# will not cause excessive traffic congestion.

The Board shall prescribe the following conditions:

- (a) that a minimum of 150 square feet of #lot area# is provided for each child enrolled in the camp;
- (b) that along any #rear# or #side lot lines#, #yards# are provided, each with a minimum depth (or width) of 40 feet, within which no camp equipment is affixed to the land;
- (c) that in #Residence Districts# or C3 Districts the #zoning lot# is screened along the #rear# and #side lot lines#, and in C1 or C2 Districts along any #rear# or #side lot line# adjoining a #Residence District#, by a strip at least four feet wide, densely planted with shrubs or trees which are at least four feet high at the time of planting and which are of a type which may be expected to form a year-round dense screen at least six feet high within three years; and
- (d) that in the case of outdoor day camps, for each 6,000 square feet of #lot area#, one #accessory# off-street parking space of 500 square feet is provided to accommodate buses used in the transportation of campers, in addition to the #accessory# off-street parking requirement established for such #uses# under the applicable provisions of Sections [25-31](#) or [36-21](#) (General Provisions).

The Board may prescribe additional appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
