73-311 - General provisions

In all districts, the Board of Standards and Appeals may permit, for a term not to exceed 10 years, the extraction of sand, gravel, or clay from a #zoning lot# which is limited in size to a maximum of 50 acres and which is located not less than 1,000 feet from the nearest boundary of any #zoning lot# 10 acres or more in area used for such extraction, provided that the Board finds that such #use# is so located as not to impair the essential character or the future use or development of the surrounding area, and provided that the following conditions are met:

(a)   that the applicant submits a site plan showing the proposed extent and depth of the area to be excavated, together with the certification of the Department of Buildings that the proposed method of operations and the final elevation of the pit will not undermine or cause settlement to nearby #streets#, sewers, #buildings or other structures#, or installations;

(b)   that the applicant submits a plan for the rehabilitation of the #zoning lot# to be undertaken after the completion of the excavation operations which is satisfactory to the Board, and posts a bond, in an amount to be determined by the Board, for the performance of such rehabilitation;

(c)   that the entire perimeter of the #zoning lot#, except for necessary truck roads, is fenced, including locked gates, so as to prevent children from gaining access to the excavated areas;

(d)   that one #accessory# off-street parking space is provided for every 2,000 square feet of #lot area# or for every three employees, whichever shall require a lesser number of spaces; and

(e)   that the performance standards for M1 Districts shall apply to such operations in all districts other than M2 or M3 Districts, where the applicable performance standards shall govern.
