73-453 - For non-residential uses in Commercial or Manufacturing Districts

LAST AMENDED

6/27/1963

For non-#residential uses#, other than #non-profit hospital staff dwellings#, the Board of Standards and Appeals may extend the maximum permitted radius for off-site parking spaces located in #Commercial# or #Manufacturing Districts#, as specified in Sections [25-53](#) (Off-site Spaces for Permitted Non-residential Uses), [36-43](#) (Off-site Spaces for Commercial or Community Facility Uses) or [44-32](#) (Off-site Spaces for All Permitted Uses), from 600 to 1,200 feet, whenever the Board finds:

- (a) that the required #accessory# off-street parking spaces cannot reasonably be provided on the #zoning lot# because of physical conditions including irregularity, narrowness or shallowness of lot size or shape, or exceptional topographical or other physical conditions; and
- (b) that, within 600 feet of a boundary of the #zoning lot#, there is substantial difficulty in obtaining a site of sufficient size to accommodate the required #accessory# off-street parking spaces because such sites are occupied by substantial improvements.
