73-642 - Temporary failure to comply

LAST AMENDED

2/2/2011

In any district where such a specified #community facility# #use# is permitted, and on any #zoning lot# where one or more #buildings# occupied by such #use# exist on the date of application for the special permit, the Board of Standards and Appeals may permit #development# or #enlargements# which, only because of the continued existence of such #buildings# on a temporary basis, fail to comply with one or more of the applicable district #bulk# regulations, provided that the Board finds that continued use of the existing #buildings# is essential as a service to the community until the new construction makes it possible to replace the facilities contained therein.

The Board shall prescribe as a condition of such permit that such existing #buildings# will be removed within a stated period of time not to exceed two years after completion of the #development# or #enlargement#.
