23-49 - Special Provisions for Side Lot Line Walls

LAST AMENDED

2/2/2011

R3-1 R3-2 R4 R5

In the districts indicated, except R4A and R5A Districts, a #building# containing #residences# may:

- (a) #abut# an existing #building# located along a #side lot line#, where such #building# was existing on December 15, 1961, or lawfully erected under the terms of this Resolution, provided that walls of the #building# containing #residences# and walls of the existing #building# shall #abut# for a length equal to or greater than one half of the distance between the #street wall line# and #rear wall line# of the existing #building#. For the purposes of this paragraph (a), an “existing #building#” shall not include an #accessory building# located on an #interior# or #through lot#;
- (b) #abut# other #buildings# containing #residences# being erected at the same time on an adjoining #zoning lot# or #zoning lots#.

For such #buildings# containing #residences#, the #side yard# requirements shall be waived along the #side lot line# of the #zoning lot# coincident with the #abutting# #buildings#, and one #side yard# shall be provided along any #side lot line# of the #zoning lot# without an #abutting# #building# with a width of at least eight feet in R3-1, R3-2, R4 or R5 Districts, and four feet in R4-1, R4B or R5B Districts.
