- (c) to stabilize the area through residential development and thereby encourage active utilization of Union Square Park;
- (d) to enhance the retail and service nature and economic vitality of 14th Street by mandating appropriate retail and service activities;
- (e) to improve the physical appearance and amenity of the streets within the District by establishing streetscape and signage controls which are compatible to Union Square Park;
- (f) to improve access, visibility, security and pedestrian circulation in and around the 14th Street/Union Square Station; and
