25-023 - Applicability of regulations to certain community facility uses in lower density growth management areas

LAST AMENDED 12/5/2024

- (a) In #lower density growth management areas# other than R6 and R7 Districts in Community District 10, Borough of the Bronx, all #zoning lots# containing #buildings# with the following #uses# shall be subject to the provisions of paragraph (b) of this Section:
 - (1) ambulatory diagnostic or treatment health care facilities listed under Use Group III(B), except where such #zoning lot# contains #buildings# used for hospitals, as defined in the New York State Hospital Code, or #long-term care facilities#; or
 - (2) child care services as listed under the definition of #school# in Section 12-10 (DEFINITIONS), except where such #zoning lot# contains #buildings# used for houses of worship or, for #zoning lots# that do not contain #buildings# used for houses of worship, where the amount of #floor area# used for child care services is equal to 25 percent or less of the amount of #floor area# permitted for #community facility# #use# on the #zoning lot#.
- (b) All #zoning lots# that meet the conditions of paragraph (a) of this Section shall comply with the provisions of Section 25-624 (Special parking regulations for certain community facility uses in lower density growth management areas) in lieu of the following provisions:
 - (1) the parking location provisions of Sections <u>25-622</u> (Location of parking spaces in lower density growth management areas) and <u>25-623</u> (Maneuverability standards);
 - (2) the driveway and curb cut provisions of Sections <u>25-632</u> (Driveway and curb cut regulations in lower density growth management areas) and <u>25-634</u> (Curb cut regulations for community facilities); and
 - (3) the screening provisions of Section <u>25-65</u> (Screening).

In addition, where the #uses# listed in paragraphs (a)(1) and (a)(2) of this Section result from a change of #use#, the provisions of Section 25-31 (General Provisions) shall be modified to require #accessory# off-street parking spaces for such #uses#. However, the requirements of Sections 25-31 and 25-624 may be modified for #zoning lots# containing #buildings# with such changes of #use# where the Chairperson of the City Planning Commission certifies to the Commissioner of Buildings that such modifications are necessary due to the location of existing #buildings# on the #zoning lot#, and such requirements have been complied with to the maximum extent feasible.
