In the districts indicated, a greater number of off-street parking spaces than permitted under the provisions of Section 25-16 (Maximum Spaces for Other Residences) may be provided if the Commissioner of Buildings determines that:

(a) such additional spaces are needed for the occupants of #residences# to which such spaces are #accessory#, in order to prevent excessive on-street parking; and

(b) such spaces are designed in such a way as to minimize traffic on #streets# with predominantly #residential# frontages.

The Commissioner of Buildings shall establish appropriate additional regulations with respect to the design of the parking areas to minimize adverse effects on the character of surrounding areas.
