R1 R2 R3 R4 R5 R6 R7 R8 R9 R10 R11 R12

In all districts, as indicated, all permitted or required off-street parking spaces, open or enclosed, which are #accessory# to #residences# shall be designed and operated primarily for the long-term storage of the private passenger motor vehicles used by the occupants of such #residences#, except as set forth in this Section.

(a) Within individual parking spaces:

#accessory# off-street parking spaces may be rented for periods of not less than one week and not more than one month to persons who are not occupants of such #residences#; and

(b) Within #group parking facilities#:

(1) in the #Inner Transit Zone#, all #accessory# off-street parking spaces may be made available for public use. Outside the #Inner Transit Zone#, #accessory# off-street parking spaces may be rented for periods of not less than one week and not more than one month to persons who are not occupants of such #residences#; and

(2) up to five spaces or 20 percent of all #accessory# off-street parking spaces, whichever is greater, may be allocated to:

(i) publicly available electric vehicle charging facilities not otherwise permitted pursuant to Section 25-44, including #accessory# equipment and electric vehicle parking spaces. #Accessory# off-street parking spaces shall be restored when such charging facilities are removed; or

(ii) #car sharing vehicles#.

However, spaces designed and operated pursuant to paragraphs (a) and (b) of this Section shall be made available to the occupants of the #residences# to which they are #accessory# within 30 days of a written request to the landlord.
