25-67 - For Parking Facilities Containing Car Sharing Vehicles

LAST AMENDED
12/5/2024

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10 R11 R12

Within an off-street parking facility that contains #car sharing vehicles#, an information plaque shall be placed within 20 feet of either the entrance to the parking facility or the attendant's station, at a location accessible to and visible to users of such facility. The plaque shall be fully opaque, non-reflective and constructed of permanent, highly durable materials and shall contain the following statements in lettering no less than one inch high:

(a) "Total parking spaces in facility:" which shall specify the total number of parking spaces permitted within such parking facility;

(b) "Maximum number of car sharing vehicles:" which shall specify the total number of #car sharing vehicles# permitted within such parking facility; and

(c) where such parking facility contains #accessory residential# parking spaces, "Accessory residential parking spaces shall be made available to residents of this building within 30 days after a written request is made to the landlord."
