In all districts, as indicated, enclosed #accessory# bicycle parking spaces shall be provided for at least that amount specified for the applicable #use# set forth in the table in this Section.

For the purposes of calculating the number of required bicycle parking spaces, any fraction of a space 50 percent or greater shall be counted as an additional space. For #residences#, the #accessory# bicycle parking requirement shall be calculated separately for separate #buildings# or #building segments#.

For the purposes of applying such provisions to #rooming units#, three #rooming units# shall be considered the equivalent of one #dwelling unit#.

Where any #building# or #zoning lot# contains two or more #uses# having different bicycle parking requirements as set forth in the table, the bicycle parking requirements for each type of #use# shall apply to the extent of that #use#.

Where an enclosed #accessory# #group parking facility# is provided, the required number of bicycle parking spaces for the #use# to which such facility is #accessory# shall be the amount set forth for such #use# in the table, or one for every 10 automobile parking spaces that are enclosed within a #building or other structure# or located on the roof of a #building#, whichever will require a greater number of bicycle parking spaces.
