31-12 - C2 Local Commercial Districts

LAST AMENDED

6/6/2024

These districts are designed to provide for local shopping and include a wide range of retail stores and personal service establishments which cater to frequently recurring needs. These districts also provide for a wide range of other essential local services and limited amusement and recreation as well as small-scale production uses. Since these districts provide amenities in convenient locations near all residential areas, and since they are relatively unobjectionable to nearby residences, these districts are widely mapped.
