# 31-18 - C8 General Service Districts

File generated by https://zr.planning.nyc.gov on 11/8/2026

## 31-18 - C8 General Service Districts

LAST AMENDED

6/6/2024

These districts are designed to provide for necessary services for a wider area than is served by the Local Commercial Districts. Since these service establishments often involve objectionable influences, such as noise from heavy service operations and large volumes of truck traffic, they are incompatible with both residential and retail uses. New residential development is excluded from these districts.
