36-532 - Location and width of curb cuts accessing residential parking spaces in certain districts

LAST AMENDED
2/2/2011

The provisions of this Section shall apply to all curb cuts accessing off-street parking spaces #accessory# to #residences# in C1 and C2 Districts mapped within R1 through R8 Districts, and in all other Commercial Districts where, as set forth in the tables in Section 34-112, the applicable Residential District is R3, R4, R5, R6, R7 or R8.

(a) All such curb cuts shall comply with the provisions of Section 25-631 (Location and width of curb cuts in certain districts), as set forth for the applicable #building#, #building segment# and #Residence District#. All #buildings# containing #residences# in C1 and C2 Districts mapped within R1, R2, R3-1, R3A, R3X, R4-1, R4A and R5A Districts shall comply with the provisions set forth in Section 25-631 for an R3-2 District;

(b) All such curb cuts shall be prohibited on the #wide street# frontage of any #zoning lot# existing on April 14, 2010, with access to a #narrow street#; and

(c) Where a #Commercial District# with only #narrow street# frontage is mapped along the short end of a #block#, and a #zoning lot# existing on April 14, 2010, has access to both the short and long ends of such #block#, all such curb cuts shall be prohibited along the #street line# of the short end of such #block#.
