36-663 - Restrictions on location of berths near Residence Districts

LAST AMENDED
6/6/2024

C1 C2 C3 C4 C5 C6 C7 C8

In all districts, as indicated, where #accessory# off-street loading berths are located within 60 feet of a #Residence District# boundary, such berths shall be enclosed within a #building#, and no entrance to or exit from the berths onto the #street# shall be less than 30 feet from the district boundary.
