23-953 - Additional requirements for compensated developments and MIH developments

LAST AMENDED

3/22/2016

- (a) #Compensated development# or #MIH development# building permits
- (1) #HPD# may issue a #permit notice# to the Department of Buildings at any time on or after the #regulatory agreement date#. The Department of Buildings may thereafter issue building permits to a #compensated development# that utilizes #floor area compensation# or an #MIH development#, based on the #affordable housing# or contribution to the #affordable housing fund# described in such #permit notice#.
 - (2) If #HPD# does not receive confirmation that the #regulatory agreement# has been recorded within 45 days after the later of the #regulatory agreement date# or the date upon which #HPD# authorizes the recording of the #regulatory agreement#, #HPD# shall suspend or revoke such #permit notice#, notify the Department of Buildings of such suspension or revocation and not reinstate such #permit notice# or issue any new #permit notice# until #HPD# receives confirmation that the #regulatory agreement# has been recorded or any applicable alternate procedure has been completed. Upon receipt of notice from #HPD# that a #permit notice# has been suspended or revoked, the Department of Buildings shall suspend or revoke each building permit issued pursuant to such #permit notice# which is then in effect for any #compensated development# or #MIH development#.
- (b) #Compensated development# or #MIH development# certificates of occupancy
- (1) The Department of Buildings shall not issue a temporary or permanent certificate of occupancy for any portion of the #compensated development# that utilizes #floor area compensation# or #MIH development# until #HPD# has issued a #completion notice# with respect to the #affordable housing# that generates such #floor area compensation# or satisfies the requirements of paragraph (d) of Section [23-154](#) (Inclusionary Housing) or any modification of such provisions by special permit of the Board of Standards and Appeals pursuant to Section [73-624](#) (Reduction or modification of Mandatory Inclusionary Housing requirements). However, where any #story# of a #compensated development# or #MIH development# contains one or more #affordable housing units#, the Department of Buildings may issue any temporary or permanent certificate of occupancy for such #story# if such temporary or permanent certificate of occupancy either includes each #affordable housing unit# located in such #story# or only includes #dwelling units# or #rooming units# that are #affordable housing units#. Nothing in the preceding sentence shall be deemed to prohibit the granting of a temporary or permanent certificate of occupancy for a #super's unit#.
 - (2) #HPD# shall not issue a #completion notice# with respect to any portion of any #generating site# or #MIH site# unless:
 - (i) the Department of Buildings has issued temporary or permanent certificates of occupancy for all #affordable housing# described in such #completion notice# and such certificates of occupancy have not expired, been suspended or been revoked; or
 - (ii) where a #generating site# contains #affordable housing# that had a valid certificate of occupancy on the #regulatory agreement date# and no new temporary or permanent certificate of occupancy is thereafter required for the creation of such #affordable housing#, #HPD# has determined that all renovation and repair work required by the applicable #regulatory agreement# has been completed and all obligations with respect to the creation of such #affordable housing# have been fulfilled in accordance with the applicable #regulatory agreement#.
