37-43 - Modification of Requirements for a Relocated or Renovated Subway Stair

LAST AMENDED
6/6/2024

The Chairperson of the City Planning Commission may, by certification to the Commissioner of Buildings, allow modifications of the requirements of Sections 32-351 (Ground floor use in high-density areas) and 37-41 (Standards for Location, Design and Hours of Public Accessibility) or 37-70 (PUBLIC PLAZAS) if the relocated subway stair cannot be accommodated without modification to these provisions.
