## 11-333 - Special allowances for building permits issued prior to certain dates

---

LAST AMENDED

10/29/2025

- (a) Residential developments with building permits issued on or before June 30, 1989

If on or before June 30, 1989, the foundations of a #residential# major or minor development have been completed and permits issued pursuant to the requirements of Section [11-331](#) (Right to construct if foundations completed), and a certificate of occupancy has not been issued by June 30, 1991, construction may continue until June 30, 1995, for a minor development, or until June 30, 1997, for a major development, provided the Commissioner of Buildings determines that 30 percent of the #floor area# of the major or minor development was roofed and enclosed by walls by June 30, 1991. Applications to continue construction under this Section must be filed with the Commissioner of Buildings within 90 days of December 5, 1991. If the Commissioner of Buildings has granted the right to continue construction of a major or minor development pursuant to this Section, the Board of Standards and Appeals may not grant the right to continue construction pursuant to paragraph (a) of Section [11-332](#).

- (b) Building permits issued prior to June 29, 1994

If, before June 29, 1994, a building permit has been lawfully issued, as set forth in paragraph (a) of Section [11-31](#), to a person with a possessory interest in a #zoning lot# authorizing construction, such construction may be started or continued for a period of one year pursuant

to the regulations governing R6A, R6B, R7A, R7B, R7X, R8A, R8B, R8X, R9A, R9X or R10A Districts or #Commercial Districts# with such #Residence District# #bulk# regulations, or in any other district in which such construction complies with the Quality Housing Program, prior to the adoption of N940257 ZRY - Quality Housing Follow-Up Text Amendments.

(c) Building permits for other construction in R1-2A and R2A Districts

In R1-2A Districts established on or after April 22, 2009, and R2A Districts established on or after December 20, 2006, if a building permit for other construction has been lawfully issued prior to the dates establishing such districts, such construction may be continued, notwithstanding the provisions of paragraph (a) of Section [11-332](#) (Extension of period to complete construction), provided that the Department of Buildings determines that all of the requisite structural framing to perform the work authorized under the permit was completed on or before the date establishing the district. If the Commissioner of Buildings determines that such framing was not complete on such date, the provisions of paragraph (a) of Section [11-332](#) shall apply.

(d) Building permits issued before April 30, 2008

In all districts other than R1, R2, R3, R4 or R5 Districts, if, before April 30, 2008, a building permit has been lawfully issued authorizing construction on a #zoning lot#, the provisions of N080078 ZRY, pertaining to #yards# and N080081 ZRY, pertaining to #street# trees, shall not apply, provided that foundations have been completed in accordance with paragraphs (a) and (b) of Section [11-331](#) (Right to construct if foundations completed), as applicable, before April 30, 2009. The provisions of Section [11-332](#) (Extension of period to complete construction) shall not apply.

(e) Building permits issued and applications filed before April 22, 2009

If, before April 22, 2009, a building permit has been lawfully issued authorizing construction on a #zoning lot#, the provisions of N090191 ZRY, pertaining to bicycle parking, shall not apply. If, on or before November 17, 2008, an application for a special permit or variance is pending before the Board of Standards and Appeals or an authorization or special permit from the City Planning Commission has been certified or referred to authorize construction on a #zoning lot#, the provisions of N090191 ZRY, pertaining to bicycle parking, shall not apply. For hospitals, if, before April 22, 2009, an application for a special permit or variance is pending before the Board of Standards and Appeals or an authorization or special permit from the City Planning Commission has been filed to authorize construction on a #zoning lot#, the provisions of N090191 ZRY, pertaining to bicycle parking, shall not apply.

(f) Building permits issued before February 2, 2011

If a building permit has been lawfully issued on or before February 2, 2011, authorizing “other construction” as set forth in paragraph (c)(3) of Section [11-31](#) (General Provisions), construction pursuant to such permit may continue pursuant to the regulations governing such construction prior to the adoption of N110090(A) ZRY (Key Terms Clarification zoning text amendment) until February 2, 2012. However, this Section shall not apply to “other construction” subject to Sections [23-738](#) (Height limitations for narrow buildings or enlargements) or [109-122](#) (Height and setback regulations).

(g) Building permits issued before December 6, 2024

The provisions of this Section shall apply to #developments# or #enlargements# seeking building permits for #buildings# in which floor space is exempted pursuant to paragraph (12)(ii) of the definition of #floor area# as was set forth in Section [12-10](#) (DEFINITIONS) before December 6, 2023.

If, on or before December 6, 2023, an application for a #development#, #enlargement# or

#conversion# has been filed with the Department of Buildings, and if, on or before December 6, 2024, the Department of Buildings has approved an application for a foundation, a new building or an alteration based on a complete zoning analysis showing zoning compliance for such #development#, #enlargement#, or #conversion#, such application may be continued, and construction may be started or continued.

#Buildings# receiving building permits pursuant to this Section shall not be considered #ultra low energy buildings#.

(h) Building permits issued before June 6, 2025

If, on or before June 6, 2024, an application for a #development#, #enlargement# or change of #use# has been filed with the Department of Buildings that would not conform with the applicable provisions of N 240010 ZRY pertaining to #ground floor level# streetscape regulations, and if, on or before June 6, 2025, the Department of Buildings has approved an application for a foundation, a new #building# or an alteration based on a complete zoning analysis showing zoning compliance for such #development#, #enlargement# or change of #use#, with the applicable rules existing prior to June 6, 2024, such application may be continued, and construction may be started or continued.

(i) Building permit applications approved before December 5, 2025

If, on or before December 5, 2024, an application for a #development#, #enlargement# or change of #use# has been filed with the Department of Buildings to authorize construction with the applicable rules of this Resolution existing prior to the adoption of the provisions of N 240290 ZRY on December 5, 2024, and if, on or before December 5, 2025, the Department of Buildings has approved an application for a foundation, a new #building# or an alteration based on a complete zoning analysis showing zoning compliance for such #development#, #enlargement# or change of #use#, such application may be continued, and construction may be

started or continued.

Any such application may be amended one or more times prior to December 5, 2025 to modify the #development#, #enlargement# or change of #use# or to modify the configuration of the #zoning lot# on which such #development#, #enlargement# or change of #use# is located, and retain vested status, provided the complete zoning analysis associated with such amended application is approved prior to December 5, 2025.

(j) Building permit applications approved before October 29, 2025

If, on or before October 29, 2025, an application for a # development#, #enlargement# or change of #use# has been filed with the Department of Buildings to authorize construction with applicable rules of this Resolution existing prior to the adoption of the provisions of N 250173 ZRQ on October 29, 2025, and if, on or before October 29, 2026, the Department of Buildings has approved an application for a foundation, a new #building# or an alteration based on a complete zoning analysis showing zoning compliance for such #development#, #enlargement# or change of #use#, such application may be continued, and construction may be started or continued.

Any such application may be amended one or more times prior to October 29, 2026, to modify the #development#, #enlargement# or change of #use#, and retain vested status, provided the complete zoning analysis associated with such amended application is approved prior to October 29, 2026.
