11-61 - General Provisions

LAST AMENDED

9/14/1989

The owner, general agent, lessee or tenant of any #building or other structure# or tract of land in which a violation of this Resolution has been committed or shall exist; or the general agent, architect, builder or contractor; or any other person who commits, takes part or assists in any such violation or who maintains any #building or other structure# or tract of land in which any such violation shall exist, shall be guilty of a misdemeanor.

Any such person, having been served with an order to remove any such violation, who shall fail to comply with such order within 10 days after such service or who shall continue to violate any provision of this Resolution in the respect named in such order shall be guilty of a misdemeanor.

In addition to the foregoing remedies, the City may maintain an action for an injunction to restrain any violation of this Resolution.

11-62 - Failure to Comply with Special Permits, Variances, Authorizations or Certifications

LAST AMENDED

9/14/1989

Failure to comply with any conditions or restrictions in special permits, variances, authorizations or certifications granted under this Resolution shall constitute a violation of this Resolution and may constitute the basis for denial or revocation of a building permit or certificate of occupancy, or for revocation of such special permit, variance, authorization or certification, and for all other applicable remedies.

In any application for modification, renewal or extension of a previously granted special permit, authorization or certification, or for modification or renewal of a previously granted variance, the applicant shall verify whether it has complied with each of the conditions and safeguards theretofore prescribed by the City Planning Commission, the Board of Estimate or the Board of Standards and Appeals, or their successors, as applicable. In the event that the applicant has not complied with such conditions and safeguards, such #non-compliance# may constitute grounds for the City Planning Commission, the Board of Estimate or the Board of Standards and Appeals, or their successors, as applicable, to disapprove the application for modification, renewal or extension.
