13-32 - Location of Access to the Street

File generated by https://zr.planning.nyc.gov on 11/12/2026

13-32 - Location of Access to the Street

LAST AMENDED
6/6/2024

In addition to the provisions of Sections 25-75, 36-662 and 44-562 (Location of access to the street), no entrance or exit to an #accessory# off-street loading berth shall be located on a #street# with a roadbed width that is less than 20 feet, as measured curb to curb.
