The required waiting area shall be in an enclosed lobby and shall not include space occupied by stairs, corridors or restrooms. A plan shall be provided to the Board to ensure that the operation of the establishment will not result in the gathering of crowds or the formation of lines on the #street#;
- (b) that the entrance to such #use# shall be a minimum of 100 feet from the nearest #Residence District# boundary;
- (c) that such #use# will not cause undue vehicular or pedestrian congestion in local #streets#;
- (d) that such #use# will not impair the character or the future use or development of the surrounding residential or mixed use neighborhoods;
- (e) that such #use# will not cause the sound level in any affected conforming #residential use#, #joint living-work quarters for artists# or #loft dwelling# to exceed the limits set forth in any applicable provision of the New York City Noise Control Code; and
- (f) that the application is made jointly by the owner of the #building# and the operators of such eating or drinking establishment.

The Board shall prescribe appropriate controls to minimize adverse effects on the character of the surrounding area, including, but not limited to, location of entrances and operable windows, provision of sound-lock vestibules, specification of acoustical insulation, maximum size of establishment, kinds of amplification of musical instruments or voices, shielding of flood lights, adequate screening, curb cuts or parking.

Any violation of the terms of a special permit may be grounds for its revocation.
