73-435 - Reduction of parking spaces for other government-assisted dwelling units

LAST AMENDED 3/22/2016

In all districts in the #Transit Zone#, the Board of Standards and Appeals may permit a waiver of, or reduction in, the number of required #accessory# off-street parking spaces required for government-assisted #dwelling units# subject to restrictions on rents in #developments# or #enlargements#, provided that the conditions and findings set forth in this Section are met.

As a condition for such waiver or reduction, at least 20 percent of all #dwelling units# in such #development# or #enlarged building# shall be #income-restricted housing units#, and an additional 30 percent of all #dwelling units# in such #development# or #enlarged building# shall be subject to a legally binding restriction limiting rents as prescribed by a City, State, or Federal agency, law, regulation, or regulatory agreement, for a period of not less than 30 years.

In order to grant such permit, the Board shall find that such waiver or reduction will:

- (a) facilitate such #development# or #enlargement#;
- (b) not cause traffic congestion; and
- (c) not have undue adverse effects on residents, businesses or #community facilities# in the surrounding area, as applicable, including the availability of parking spaces for such #uses#.

The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
