LAST AMENDED

The Board of Standards and Appeals may permit off-site spaces #accessory# to #residences# or to #non-profit hospital staff dwellings# to be located in any district except an R1 or R2 District, or at a greater distance from the #zoning lot# than the maximum distance specified in the applicable district regulations, provided that the following special findings are made:

(a) that the required #accessory# on-street parking spaces cannot reasonably be provided on the #zoning lot# because of physical conditions including irregularity, narrowness or shallowness of lot size or shape, or exceptional topographical or other physical conditions;

(b) that within the maximum permitted radius for off-site parking or within a district other than a #Residence District#, there is substantial difficulty in obtaining a site of sufficient size to accommodate the required #accessory# off-street parking spaces because such sites are occupied by substantial improvements;

(c) that where such spaces are located at a greater distance from the #zoning lot# than the maximum distance permitted by the district regulations, such distance is not greater than as shown in the following table for the specified districts; and

Maximum Distance (in feet)	Districts
