73-46 - Waiver of Requirements for Conversions

LAST AMENDED

2/2/2011

In R6 or R7-1 Districts, in C1 or C2 Districts mapped within R6 or R7-1 Districts, or in C4-2 or C4-3 Districts, where the number of #accessory# off-street parking spaces required for additional #dwelling units# created by #conversions# of any kind exceeds the number of spaces which may be waived as of right under the provisions of Sections [25-262](#) (For conversions), [36-363](#) (For conversions in C1 or C2 Districts governed by surrounding Residence District bulk regulations) or [36-364](#) (For conversions in C4 Districts), the Board of Standards and Appeals may waive all or part of the required spaces, provided that the Board finds that there is neither a practical possibility of providing such spaces:

- (a) on the same #zoning lot# because of insufficient #open space# and the prohibitive cost of structural changes necessary to provide the required spaces within the #building#; nor
- (b) on a site located within 1,200 feet of the nearest boundary of the #zoning lot# because all sites within such radius are occupied by substantial improvements.
