77-22 - Floor Area Ratio

LAST AMENDED

2/2/2011

The maximum #floor area ratio# permitted on each portion of such #zoning lot# for the applicable type of #building# or #buildings# on such #zoning lot# shall be determined under the applicable regulations of Articles II, III and IV.

Each such #floor area ratio# shall be multiplied by the percentage of the #zoning lot# to which such #floor area ratio# applies. The sum of the products thus obtained shall be the adjusted maximum #floor area ratio# applicable to such #zoning lot#.

In applying this provision, the #floor area# bonus permitted for #publicly accessible open areas# or #arcades#, under the applicable regulations of this Resolution, shall apply only to such #publicly accessible open areas#, #arcades# or portions thereof, as are located in a district in which such bonus is granted.

When a #zoning lot# (with a #height factor# greater than 21) does not have a specified maximum #floor area ratio#, for the purpose of computing the adjusted maximum #floor area ratio#, the #floor area ratio# of such #zoning lot# shall be deemed to be that which can be achieved at the minimum required #open space ratio# for such #zoning lot#.

The #floor area# resulting from application of the adjusted maximum #floor area ratio# may be located anywhere on the #zoning lot#, subject to all other regulations of this Resolution, and provided that the #floor area ratio# for any portion of the #zoning lot# within one district shall not exceed the maximum #floor area ratio#, by #height factor#, if applicable, specified for that district, or the adjusted maximum #floor area ratio# for the #zoning lot#, whichever is greater, except as follows:

- (a) In R3-2 Districts, R4 Districts, except R4A, R4-1 and R4B Districts, R5 Districts, and equivalent #Commercial Districts#, and for #Quality Housing buildings# in R6, R7 and R8 Districts and equivalent #Commercial Districts# outside the #Manhattan Core#, the #residential# #floor area ratio# of that portion of the #zoning lot# fronting on and within 100 feet of a #wide street# and permitting the greater maximum permitted #residential# #floor area ratio# may exceed the maximum permitted #residential# #floor area ratio# for the portion of the #zoning lot# by up to 20 percent, provided that the maximum #residential# #floor area ratio# for the #zoning lot# does not exceed the adjusted maximum #residential# #floor area ratio# applicable to such #zoning lot#.
- (b) For portions of #zoning lots# within an R2X, R3-1, R3A, R3X, R4-1, R4A or R4B District not subject to the provisions of Section [77-11](#) (Conditions for Application of Use Regulations to Entire Zoning Lot), the #floor area ratio# for such portion of the #zoning lot# shall not exceed the maximum #floor area ratio# specified for that district.
