62-823 - Modification of use regulations in C3 Districts

LAST AMENDED

6/6/2024

In C3 Districts, the City Planning Commission may authorize modification of #use# regulations to allow a WE #use# not otherwise allowed as-of-right or by special permit. In conjunction with such authorization, the Commission may also allow the #sign# regulations of a C1 District to apply to the #zoning lot#.

As a condition to the granting of such authorization the Commission shall find:

- (a) that such WE #use# is a #use# listed under Use Groups V, VI, VII or VIII;
- (b) that the #zoning lot# also includes a WD #use# that is either permitted in the district as-of-right or has been permitted by special permit;
- (c) that such WE #use# will not create serious pedestrian or vehicular traffic congestion that would adversely affect surrounding residential #streets#;
- (d) that the entrances and exits for #accessory# parking or loading facilities are so located as to not adversely affect #residential# properties fronting on the same #street#; and
- (e) that such WE #use# will not impair the character or future use or development of the surrounding area.

The Commission may prescribe additional appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area. Such conditions and safeguards may include limitations on the size of the establishment, limitations on lighting and signage or screening requirements.
