---

LAST AMENDED  
12/5/2024

For #zoning lots# containing a #FRESH food store# and #residences# in #Commercial Districts# mapped within, or with a #residential equivalent# of R6 through R12 Districts, the City Planning Commission may authorize modifications to Section [35-632](#) (Maximum height of buildings and setback regulations), or to the height and setback regulations of any Special Purpose District where maximum height limits apply to allow the applicable maximum #building# height to be increased by up to 15 feet and by up to one #story#, provided that the portion of the first #story# occupied by a #FRESH food store# has a minimum finished floor to finished ceiling height of 14 feet, and provided that such finished ceiling height is at least 14 feet above the #base plane# or #curb level#, as applicable.
