63-50 - AUTHORIZATION FOR BULK AND PARKING MODIFICATIONS

LAST AMENDED

12/9/2009

The City Planning Commission may, by authorization, permit modifications to the #bulk# and #accessory# off-street parking requirements of the applicable zoning districts when a change of #use# of a #FRESH food store# for which a certification has been issued, pursuant to Section [63-30](#), would create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in fewer #accessory# off-street parking spaces than required by the new #use# pursuant to Section [63-24](#) (Required Accessory Off-street Parking Spaces in Certain Districts), provided that such #use# is permitted by the underlying districts.

In order to grant such authorization, the Commission shall find that:

- (a) due to the market conditions prevalent at the time of the application, there is no reasonable possibility that the operation of a #FRESH food store# will bring a reasonable return;
- (b) the applicant, the operator or a prior operator of such #FRESH food store# has not created or contributed to such unfavorable market conditions;
- (c) the applicant, the operator or a prior operator of such #FRESH food store# has undertaken commercially reasonable efforts to secure a new operator, and demonstrates to the Commission that such efforts have been unsuccessful;
- (d) any proposed #non-compliance# or increase in the degree of #non-compliance# will not be incompatible with or adversely affect adjacent #uses#, including #uses# within the #building#; and
- (e) any reduction of required #accessory# off-street parking shall not create or contribute to serious traffic congestion and will not unduly inhibit surface traffic and pedestrian movement.

If such authorization is granted, a notice of cancellation, in a form acceptable to the Department of City Planning, of the declaration of restrictions recorded pursuant to Section [63-30](#), shall be executed and recorded in the Office of the City Register of the City of New York against all tax lots comprising the former #FRESH food store#.

In issuing an authorization under this Section, the Commission may impose conditions and safeguards to minimize adverse impacts on the character of the surrounding area.
