In all districts, for #zoning lots# containing a landmark designated by the Landmarks Preservation Commission, or for #zoning lots# with existing #buildings# located within Historic Districts designated by the Landmarks Preservation Commission, the City Planning Commission may permit modification of the #use# and #bulk# regulations, except #floor area ratio# regulations, provided that:

(a) The following conditions are met:

(1) any application pursuant to this Section shall include a report from the Landmarks Preservation Commission stating that a program has been established for continuing maintenance that will result in the preservation of the subject #building# or #buildings#, and that such #use# or #bulk# modifications, or restorative work required under the continuing maintenance program, contributes to a preservation purpose;

(2) any application pursuant to this Section shall include a Certificate of Appropriateness, other permit, or report from the Landmarks Preservation Commission stating that such #bulk# modifications relate harmoniously to the subject landmark #building# or #buildings# in the Historic District, as applicable; and

(3) the maximum number of #dwelling units# shall be as set forth in Section 15-111 (Number of permitted dwelling units).

(b) In order to grant a special permit, the City Planning Commission shall find that:

(2) such #use# modifications shall have minimal adverse effects on the conforming #uses# within the #building# and in the surrounding area.

The Commission may prescribe appropriate additional conditions and safeguards which will enhance the character of the #development# and #buildings# on the #zoning lot#.
