74-93 - Special Commercial or Mixed Use Developments in Commercial Districts

LAST AMENDED

6/6/2024

Within the boundaries of Community District 6, Borough of Queens, for #commercial# or #mixed use# #developments# or #enlargements# on two or more #zoning lots# in more than one #block#, which #zoning lots#, as defined in Section [12-10](#), each have single fee ownership or equivalent ownership arrangements for all lots comprising the #development# or #enlargement#, which are contiguous or would be contiguous but for their separation by a #street#, and located partially in a C4-2 District, partially in a C4-2F District, the City Planning Commission may permit upon application:

- (a) reduction of the parking requirement of Section [36-21](#) (General Provisions) by an amount not to exceed 50 percent, provided that the Commission finds that the applicant has demonstrated that the proposed parking is sufficient for the #uses# proposed;
- (b) any closed and demapped air space above a #street# to be considered as a part of the #development# or #enlargement# and to be used for automobile ways, or for pedestrian ways, provided the Commission finds that:
 - (1) each bridge over the #street# bed utilizes only unused #floor area# from an adjoining #zoning lot# within the #development# or #enlargement# and that no #floor area# credit is generated from the demapped air space;
 - (2) each bridge adjoins #zoning lots# which are wholly within the #development# or #enlargement#;
 - (3) the #curb levels# of the adjoining #zoning lots# are not affected by the closing and demapping of such air space;
 - (4) all #street# frontages of the #zoning lots# under each bridge are provided with satisfactory lighting; and
 - (5) a landscaped open, covered or enclosed space for public use at #street# level, linked with the pedestrian circulation system, is provided in one location within the #development# or #enlargement#, which open, covered or enclosed space is at least equivalent to the #street# area covered by the bridges, has a minimum area of 20,000 square feet and is maintained with planting and seating facilities, by the owner of the #development# or #enlargement# or his designee, said open, covered or enclosed space to be subject to such other requirements as the Commission may deem appropriate;
- (c) automobile service establishments, including: automobile, tire, battery, muffler and accessories establishments, including installation services; automobile glass and mirror shops, including installation services where such #use# is an integral part of the permitted principal #use#; automotive seat cover or convertible top establishments, including installation service, but not including automobile laundries; automobile painting establishments; automobile body repair establishments; or automobile fuel service stations;
- (d) modification of applicable #bulk# regulations by permitting the total permitted #floor area# for all #zoning lots# within such #development# or #enlargement# to be distributed without regard to #zoning# #lot lines# and permitting the location of #buildings# without regard for the applicable height and setback regulations, provided the Commission finds that:
 - (1) such distribution of #floor area# and location of #buildings# will result in better site planning and will thus benefit both the neighborhood and the City as a whole; and
 - (2) such distribution of #floor area# and location of #buildings# will permit adequate access of light and air to surrounding #streets# and properties; and

- (e) modification of the applicable provisions of Sections [32-64](#) (Surface Area and Illumination Provisions) and [32-65](#) (Permitted Projection or Height of Signs), provided that the Commission finds that such modification will result in a better site plan.

The Commission may impose additional conditions and safeguards to improve the quality of the #development# or #enlargement# and minimize adverse effects on the character of the surrounding area, including restrictions on permitted #commercial# #uses#, #signs# and location of curb cuts to ease vehicular and pedestrian circulation in the area.

74-931 - Special commercial or mixed use developments in Commercial Districts

LAST AMENDED

12/19/2017

Within the boundaries of Community District 6, Borough of Queens, for #commercial# or #mixed use# #developments# or #enlargements# on two or more #zoning lots# in more than one #block#, which #zoning lots#, as defined in Section [12-10](#), each have single fee ownership or equivalent ownership arrangements for all lots comprising the #development# or #enlargement#, which are contiguous or would be contiguous but for their separation by a #street#, and located partially in a C4-2 District, partially in a C4-2F District, the City Planning Commission may permit upon application:
