A #large-scale residential development# may be subdivided before, during or after #development# into two or more #zoning lots# which may be in different ownerships, provided that either:

- (a) all resulting #zoning lots# and all #buildings# thereon comply with all the applicable regulations of this Resolution;
- (b) such subdivision conforms to a subdivision plan which was included as part of the application for authorizations or special permits under the provisions of this Chapter and whose execution has been authorized in the grant of such authorizations or special permits; or
- (c) such subdivision is made necessary by forced sale or foreclosure of a portion of such #large-scale residential development#, but can be accommodated to any authorization or special permit granted pursuant to the provisions of this Chapter.

All #zoning lots# resulting from such subdivisions shall be subject to all the applicable regulations of this Resolution or, in the case of a #large-scale residential development# for which any modifications were granted in accordance with the provisions of this Chapter, shall be subject to the terms, conditions and limitations of the #large-scale residential development# plan as approved.
