91-511 - Authorization for off-site parking facilities for converted buildings

LAST AMENDED
12/5/2024

The City Planning Commission may authorize #accessory# residential off-site parking spaces for non-#residential buildings# erected prior to January 1, 1977, or portions thereof, that are #converted# to #residential use#, to be provided in a fully enclosed #building# on a #zoning lot# within the #Special Lower Manhattan District# other than the #zoning lot# that contains the #residential use#, provided the Commission finds that:

(a) such #accessory# off-site parking spaces are conveniently located in relation to the #residential use#, and in no case further than 600 feet from the #zoning lot# containing the #residential use#;

(b) such location of the #accessory# off-site parking facility will permit better site planning for the #building# #converted# to #residential use#;

(c) that such #accessory# off-site parking facility shall contain parking spaces #accessory# only to #residential uses#; and

(d) such parking facility complies with findings in paragraphs (b)(1), (b)(2), (b)(3) and (b)(5) of Section 13-45 (Special Permits for Additional Parking Spaces).

The number of #accessory# off-site parking spaces authorized in accordance with the provisions of this Section shall be recorded on the certificates of occupancy, temporary and permanent, for both the #residential use# and the #accessory# off-site parking facility.
