93-81 - Definitions

LAST AMENDED
12/20/2018

Hudson Yards parking regulations applicability area

The “Hudson Yards parking regulations applicability area” is comprised of Subdistricts A, B, C, D and E of the #Special Hudson Yards District#, the 42nd Street Perimeter Area of the #Special Clinton District# and Subdistrict A-2 of the #Special Garment Center District#

Hudson Yards development parking supply

The “Hudson Yards development parking supply” shall be the aggregate number of off-street parking spaces in #accessory# individual or #group parking facilities#, #public parking lots# and #public parking garages# in the #Hudson Yards parking regulations applicability area#:

- (a) that have been constructed, pursuant to the as-of-right regulations in effect subsequent to January 19, 2005, and before April 14, 2010, to the extent that such spaces satisfy the ratios of Section [93-821](#);
- (b) that have been constructed, pursuant to a City Planning Commission special permit approved subsequent to January 19, 2005, and before April 14, 2010;
- (c) for which the Chairperson has issued a certification, pursuant to Section [93-821](#), paragraph (e); and
- (d) that have been approved by Board of Standards and Appeals variance, pursuant to Section [72-21](#), to the extent that such spaces satisfy the ratios of Section [93-821](#).

However, all off-street parking on Site 1, as shown on the map of the Special 42nd Street Perimeter Area in Appendix A of the #Special Clinton District# (Article IX, Chapter 6), shall be counted toward the #Hudson Yards development parking supply#.

For purposes of this definition, “constructed” shall include any off-street parking spaces in #accessory# or #group parking facilities#, #public parking garages# or #public parking lots#, where such #accessory# or #group parking facilities#, #public parking garages# or #public parking lots# were completed on April 14, 2010, under construction on such date with the right to continue construction pursuant to Section [11-331](#) or granted a City Planning Commission special permit after January 19, 2005, where such permit had not lapsed as of April 14, 2010.

Public parking

“Public parking” shall be off-street parking that is open to the public during the business day for hourly, daily or other time-defined rental of parking spaces, for which a fee is charged.

Reservoir deficit

The “reservoir deficit” shall be the amount by which the #reservoir surplus# is less than zero.

Reservoir parking supply

The “reservoir parking supply” shall be the sum of:

- (a) all off-street parking spaces lawfully operating as of May 27, 2009, in the #Hudson Yards parking regulations applicability area# as #public parking#; and
- (b) any off-street parking spaces for which a valid building permit had been issued, as of May 27, 2009, and which have been constructed before April 14, 2010.

However, any off-street parking space that satisfies the definition of the #Hudson Yards development parking supply# in this Section shall not be counted as part of the #reservoir parking supply#.

For purposes of this definition, “constructed” shall include any off-street parking spaces in #accessory# individual or #group parking facilities#, #public parking garages# or #public parking lots#, where such #accessory# or #group parking facilities#, #public parking garages# or #public parking lots# were either completed on April 14, 2010, or under construction on such date with the right to continue construction pursuant to Section [11-331](#).

Reservoir surplus

The initial #reservoir surplus# shall be 3,600 off-street parking spaces. The “reservoir surplus” shall be increased by:

- (a) the aggregate number of off-street parking spaces in the #reservoir parking supply# for which a building permit has been issued, pursuant to the as-of-right regulations in effect subsequent to January 19, 2005, and before April 14, 2010;
- (b) the number of off-street parking spaces in the #Hudson Yards parking regulations applicability area# above the ratios permitted in Section [93-821](#), either certified by the Chairperson pursuant to Section [93-822](#), paragraph (c), or by City Planning Commission special permit, pursuant to Section [93-823](#); and
- (c) the number of off-street parking spaces lawfully added in the #Hudson Yards parking regulations applicability area#, other than those permitted pursuant to Section [93-80](#), inclusive, except for any increase by Board of Standards and Appeals variance that is counted as part of the #Hudson Yards development parking supply#;

The #reservoir surplus# shall be decreased by:

- (a) the aggregate number of parking spaces counted at any time in the #reservoir parking supply#, that subsequently are:
 - (1) reduced through modification or discontinuance of the applicable Department of Consumer Affairs license or certificate of occupancy or otherwise cease operation permanently; or
 - (2) not constructed in accordance with the applicable building permit, as reflected in a modification of such building permit or the issuance of a certificate of occupancy for a reduced number of spaces; or
- (b) the issuance of a certificate of occupancy for a #development# or #enlargement# providing a smaller number of spaces than allowed, pursuant to Section [93-821](#), to the extent of the difference between the number of #accessory# off-street parking spaces allowed, and the number provided. However, this paragraph shall not apply to Sites 2, 3, 4 and 5, as shown on Map 6 of Appendix A, and shall apply to no more than 200 #accessory# off-street parking spaces on Site 6 as shown on Map 6.

Substantial construction

“Substantial construction” shall mean the substantial enclosing and glazing of a new #building# or of the #enlarged# portion of an existing #building#.
