## **96-103 - Height and setback regulations**

---

### LAST AMENDED

12/5/2024

The underlying height and setback regulations shall apply, except as modified in this Section, inclusive. All height shall be measured from #curb level#.

**(a) #Street wall# location**

For #zoning lots# with #wide street# frontage, the #street wall# provisions of paragraph (a) of Section [35-631](#) shall apply.

For #zoning lots# with #narrow street# frontage, the #street wall# provisions of paragraph (a) of Section [23-431](#) shall apply and extend along the entire #narrow street# frontage of the #zoning lot#.

setback regulations applicable to an R8B District shall apply, except that the maximum base height set forth in Section [23-432](#) (Height and setback requirements) shall be modified to be 66 feet.

(c) The City Planning Commission, by special permit, may modify the special height and setback regulations set forth in this Section. - (1) there are physical conditions, including the presence of existing #buildings or other structures#, public infrastructure, or topographical features, that create practical difficulties in complying with the #bulk# regulations that would adversely affect the #building# configuration or site plan;
- (2) the proposed modifications will not unduly obstruct access to light and air to adjoining properties or #streets#;
- (3) the proposed scale and placement of the #development# or #enlargement# relates harmoniously with the surrounding area; and

---

LAST AMENDED

12/5/2024

The density provisions set forth in Section [23-52](#) (Maximum Number of Dwelling Units) shall apply. In addition, for #developments#, #enlargements#, #extensions# or #conversions# of an existing #building# to a #residential use#, or alterations that create additional #dwelling units#, at least 20 percent of the #dwelling units# on the #zoning lot# shall contain two bedrooms. However, notwithstanding any provision to the contrary contained in this Section, the minimum 20 percent, two-bedroom unit requirement shall not apply to alterations which add a code-complying bathroom, pursuant to Section 27-2063 of the Housing Maintenance Code of the City of New York, to a #dwelling unit# which is publicly assisted (exclusive of any tax abatement or tax exemption program), and which is administered by a not-for-profit agent.

The City Planning Commission, by special permit, may modify the two-bedroom unit distribution requirement of this Section for an #affordable independent residence for seniors# or for a #residence# substantially for elderly persons with disabilities, under jurisdiction of a State or City agency, provided that the following findings are made:

- (1) that such #residences# are sponsored by a voluntary non-profit organization;
- (2) that the location and size of such facility does not create an undue concentration of #dwelling units# of this type and #community facilities# with sleeping accommodations within the immediate area;
- (3) that there are social service, health and related programs for the residents including a maintenance and security plan;
- (4) that on-site recreation areas for the use of the residents are provided; and
- (5) that the proposed #residences# will not overburden existing public services in the neighborhood.

The Commission may prescribe appropriate conditions or safeguards to minimize the adverse effect of any #use# permitted under this Section on the #residential# character of the surrounding area.

(b) Special provisions for owner-occupied #buildings# containing #residences#

For alterations of #buildings# containing #residences#, where such #buildings# are owner-occupied and which contain four or fewer #dwelling units#, the #dwelling unit# distribution provisions of this Section shall not apply.

## 96-105 - Demolition of buildings

---

No demolition permit or alteration permit for partial demolition involving a decrease of more than 20 percent in the amount of #residential# #floor area# in a #building# shall be issued by the Department of Buildings for any #building# containing #dwelling units# within the Preservation Area, unless it is an unsafe #building# and demolition is required pursuant to the provisions of Title 28, Chapter 2, Article 216 of the New York City Administrative Code.

However, the City Planning Commission, by a special permit, may allow demolition of #buildings# containing #dwelling units# or #rooming units# other than unsafe #buildings# within the Preservation Area, provided that the Commission makes the following findings:

- (a) that the existing #building#:
  - (1) is not eligible for rehabilitation under any active publicly-aided program under which funds are available; or
  - (2) is to be substantially preserved and requires an alteration permit to allow the removal and replacement of 20 percent or more of the #floor area#.
- (b) that prior to evicting or otherwise terminating the occupancy of any tenant preparatory to demolition, the owner shall have notified the applicable governmental agency of its intention to demolish the #building#.
- (c) that the Department of Housing Preservation and Development has issued a #certification of no harassment# or that the owner has complied with paragraph (d) of Section 96-110; and
- (d) that an acceptable program for #development# of the #zoning lot# is submitted to the Commission which indicates that to the extent permitted by the provisions of Section 96-10 (PRESERVATION AREA), the number of new #dwelling units# to be constructed is at least equal to the number of #dwelling units# to be demolished and that the #floor area# of the #development# containing #residences# is at least equal to the #floor area# of the #dwelling

units# to be demolished and that site development will commence within a period of twelve months from completion of relocation.

The Commission may prescribe appropriate conditions and safeguards to ensure that any interim #use# proposed on the site prior to any construction is in conformance with the purposes of this Special District.

- (a) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration, the owner shall have notified the Commissioner of his or her intention to alter the #building#; and
- (b) the Department of Housing Preservation and Development has issued a #certification of no harassment# or that the owner has complied with paragraph (d) of Section 96-110.

However, a permit for alterations may be exempted from the provisions of this Section by written determination of the Department of Housing Preservation and Development that such alterations are to be performed solely for the purpose of either:

- (1) making the public areas of a #multiple dwelling# accessible to persons with disabilities without altering the configuration of any #dwelling unit# or #rooming unit#; or

(2) making a #dwelling unit# or a #rooming unit# accessible to persons with disabilities.

For the purposes of this Section, #dwelling unit# and #rooming unit# shall be defined as in Section 96-106.

declaration# has been completed in compliance with the #restrictive declaration#; and

- (b) the Department of Buildings has issued a temporary or permanent certificate of occupancy for each unit of such #low income housing#.
- (iii) The Department of Buildings shall include the occupancy restrictions of the #restrictive declaration# in any temporary or permanent certificate of occupancy for any new or existing structure or portion thereof on the #cure compliance lot#. Failure to comply with the terms and conditions set forth in the #restrictive declaration# shall constitute a violation, and a basis for revocation, of any certificate of occupancy containing such restriction.

Failure to comply with the terms and conditions set forth in the #restrictive declaration# shall constitute a violation, and a basis for revocation, of any certificate of occupancy containing such restriction.

(3) No portion of the #low income housing# required under this Section shall qualify to:
