allow the owner to apply for and accept, and the Department of Buildings to issue, temporary and permanent certificates of occupancy for the portion of the #development# or #enlargement# which utilizes the increased #floor area# permitted pursuant to this Section prior to substantial or final completion of the performance space, as the case may be, provided that, under the terms of such declaration of restrictions or modified declaration of restrictions, the owner shall not apply for or accept temporary certificates of occupancy for any such portion of the #development# or #enlargement# unless and until the Commissioner of the Department of Cultural Affairs has certified that the core and shell of the performance space has been completed in accordance with a core and shell agreement accepted by the Commissioner, and that ownership of the performance space has been transferred to the prospective operator.

In the event of a transfer of ownership of the performance space, certification pursuant to paragraph (c)(1) of this Section, shall not require the provision of the signed lease or written commitment described therein, and the operating plan and program for the performance space shall be provided by the prospective owner.

Any application for certification of a #floor area# bonus for theater #use#, pursuant to this Section, shall be referred to the affected Community Board, the local Council Member and the Borough President of Manhattan. The Chairperson of the City Planning Commission shall not grant any such certification prior to 45 days after such referral.
