96-52 - Bulk Modifications for Public Parking Garages

LAST AMENDED
1/19/2005

Except within the Eighth Avenue Perimeter Area set forth in Section 96-22 (Special Regulations for Eighth Avenue Perimeter Area), in all other C6 Districts, the City Planning Commission, by special permit, may permit, for #public parking garages#, modification of the applicable #lot coverage#, #yard# and height and setback regulations. As a condition of permitting such modifications, the Commission shall make the following findings:

(a) that, because of site limitations, such modifications are necessary for the proper design and operation of the #public parking garage#; and

(b) that, such modifications will not unduly obstruct access to light and air in the #street# or on adjacent #zoning lots#.

The Commission shall consider the characteristics of surrounding development and may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of adjacent areas.
