82-00 - GENERAL PURPOSES

LAST AMENDED

4/24/1969

The "Special Lincoln Square District" established in this Resolution is designed to promote and protect public health, safety, general welfare and amenity. These general goals include, among others, the following specific purposes:

- (a) to preserve, protect and promote the character of the Special Lincoln Square District area as the location of a unique cultural and architectural complex - an attraction which helps the City of New York to achieve preeminent status as a center for the performing arts, and thus conserve its status as an office headquarters center and a cosmopolitan residential community;
- (b) to improve circulation patterns in the area in order to avoid congestion arising from the movements of large numbers of people; improvement of subway stations and public access thereto; including convenient transportation to, from and within the district; and provision of arcades, open spaces, and subsurface concourses;
- (c) to help attract a useful cluster of shops, restaurants and related amusement activities which will complement and enhance the area as presently existing;
- (d) to provide an incentive for possible development of the area in a manner consistent with the foregoing objectives which are an integral element of the Comprehensive Plan of the City of New York;
- (e) to encourage a desirable urban design relationship of each building to its neighbors and to Broadway as the principal street; and
- (f) to promote the most desirable use of land in this area and thus to conserve the value of land and buildings, and thereby protect the City's tax revenues.
