94-063 - Additional sign regulations

File generated by https://zr.planning.nyc.gov on 11/13/2026

94-063 - Additional sign regulations

LAST AMENDED
6/6/2024

Where #illuminated signs# are permitted by the underlying district regulations, such #signs# shall have only indirect illumination. Where #signs#, other than #advertising signs#, are permitted by the underlying district regulations, such #signs# shall not extend above the roof level of any #building or other structure# in the Special District.
