81-541 - Mass transit station improvements

LAST AMENDED
10/7/2021

For #developments# or #enlargements# on #qualifying transit improvement sites#, a #floor area# bonus for #mass transit station# improvements may be granted by the City Planning Commission pursuant to the provisions of Section 66-51 (Additional Floor Area for Mass Transit Station Improvements). For the purposes of this paragraph, defined terms additionally include those in Section 66-11 (Definitions).

For the purposes of this Section, improvements to any #mass transit station# on a #qualifying transit improvement site# located wholly or partially within the Subdistrict qualifies for bonus #floor area# in accordance with the provisions of Section 66-51, as modified herein. For a #qualifying transit improvement site# located partially within the Subdistrict, such bonus #floor area# may be located anywhere on such #qualifying transit improvement site#. In addition, if a #mass transit station# improvement has been constructed in accordance with an approved authorization or special permit and has received a Notice of Substantial Completion in accordance with the provisions of Section 66-51, the bonus #floor area# may be retained at the full amount granted by the authorization or special permit and may be utilized elsewhere on the #qualifying transit improvement site# subject to any applicable review and approval process for such #development# or #enlargement#.
