- (a) Section [62-811](#) (Waterfront public access and visual corridors) shall not apply to Parcel 5, as shown on Map 4 (Waterfront Access Plan: Parcel Designation) in the Appendix to this Chapter. In lieu thereof, the following regulations shall apply:

### Required Certification

No excavation or building permit shall be issued for any #development# on Parcel 5 until the Chairperson of the City Planning Commission has certified to the Department of Buildings, that:

  - (2) the Chairperson has certified that an easement, the requirements for which shall be determined in consultation with the Department of Transportation, has been provided to enlarge the adjoining mapped #streets#, an instrument creating such easement has been recorded in the Office of the City Register, and a certified copy of such easement has been submitted to the Department of City Planning; and
  - (3) an acceptable restrictive declaration is executed and filed pursuant to Section [62-74](#) (Requirements for Recordation).
- (b) Buildout of Adjoining #Streets#

No certificate of occupancy for any #development# on Parcel 5 shall be issued until the Department of Buildings has been furnished with a certification by the Department of Transportation that adjoining mapped #streets# have been built out to Department of Transportation standards.

Within 45 days of receipt of a complete application, the Chairperson shall either certify that the proposed #development# complies with the requirements of this Section or disapprove such application, citing the nature of any failure to comply.
