119-23 - Administration of Tier II Requirements

LAST AMENDED
12/7/1999

All #developments#, #enlargements# or #site alterations# that are subject to the requirements of Section 119-22 (Tier II Submission Requirements) shall file directly with the Department of Buildings.

No permanent certificate of occupancy shall be granted unless an inspection report, verifying that the requirements of Section 119-20 have been met, is filed with the Department of Buildings by a registered landscape architect, registered architect, licensed surveyor or professional engineer.
