133-60 - MODIFICATION OF PUBLIC ACCESS AREAS

LAST AMENDED
5/8/2013

Any public access area may be modified, eliminated or reconfigured over time, provided that such modification, elimination or reconfiguration does not reduce the amount of public access area required under Section 133-60 (PHASING) for the amount of #floor area# located on the #development parcel# at the time of such activity. Any modified or reconfigured public access area shall comply with the applicable provisions of Section 133-30, inclusive.
