102-614 - View plane

LAST AMENDED
10/24/1974

The #view plane# of the SV-1 Special District is an imaginary plane formed by joining the elevation of the #view reference line# with the elevation of the #view framing line# as shown in Diagram 2. The horizontal distance between the #view reference line# and the #view framing line# is 2,300 feet. Those portions of the plane formed by points A, B3, B4 and A1, B1, B2 are conical surfaces.
