115-52 - Location of Access to the Street

LAST AMENDED

6/6/2024

Curb cuts shall be prohibited at locations specified as #Tier C street frontages# on Map 2 (Ground Floor Use and Transparency and Curb Cut Restrictions) in Appendix A of this Chapter.

However, where permitted or required #accessory# off-street parking and loading requirements apply in a location where such curb cuts are prohibited, a curb cut may be allowed, provided that the City Planning Commission certifies to the Commissioner of Buildings that such #zoning lot# has access only to such prohibited location and that such curb cut shall be no greater than 20 feet in width.

An application to the City Planning Commission for certification respecting such curb cut shall be accompanied by a site plan drawn to a scale of at least one sixteenth inch to a foot, showing the size and location of the proposed curb cut.

The waiver provisions of Article III, Chapter 6 (Accessory Off-street Parking and Loading Regulations), shall not apply to the special location of access requirements of this Section.
