101-51 - Curb Cut Restrictions

LAST AMENDED
6/6/2024

Along the #streets# specified on Map 4 (Curb Cut Restrictions) in Appendix E of this Chapter, no curb cuts for parking facilities or loading berths shall be permitted.

However, the City Planning Commission may, by authorization, permit a curb cut, on a #street# specified on Map 4, for parking facilities and loading berths on a #zoning lot# that does not have access or egress on another #street#, provided that such curb cut will not unduly inhibit surface traffic or result in conflict between pedestrian and vehicular circulation, and will result in a good overall site plan.
